COUNTY CLEAN UP

Taylor County is having a Clean Sweep on **Saturday, May 13, 2023** at the School Student Parking Lot. Look for posters around the Village of Gilman for items that will be accepted at the Clean Sweep.

VILLAGE CLEAN UP~ MONDAY MAY 15, 2023~ THERE WILL BE ONE ROLL OFF BIN. Please call the Public Works department with any questions. **Remember that you will need to pay for tires and appliances in advance so that your name can be put on a list and given to Public Works for dropping your items off.** Please Utilize the County Clean Sweep if possible for better pricing. CALL GFL 715-669-3868 FOR PRICING ON LARGE ITEMS!

YARD WASTE SITE

The yard waste site will be open for the convenience of Village residents. **No appliances or nails or screws in any of the wood.** **Misuse of the site may result in monitoring of the site or even permanent closure of the site.** Please call the Public Works Building if you have questions on this matter.

BRUSH PILES-Brush Piles **cannot** accumulate on residents lawns. Residents need to take your brush piles/branches to the brush dump site.

HYDRANT FLUSHING

The Public Works Department will be flushing hydrants in **JUNE!** The time of flushing will be between the hours of 7a.m. and 4:00p.m. Monday through Friday. The flushing of the hydrants opens the hydrants and cleans out the chemical and mineral deposits in the water mains and insures that each hydrant is functioning properly for fire protection purposes. If water is drawn into the house or business plumbing during, or soon after hydrants in the area have been opened, it may include dislodged materials and look discolored. It is not harmful but could cause laundry stains. If such discolored water is drawn into the property, it can be cleared by opening the water taps nearest the water meter to full flow until the water runs clear. If you have any special situations that might be affected by water main flushing or questions, please contact the Public Works Department 715-447-8520.
