From 10:00 to 10:30, units begin to assemble at the school student parking lot on the east end of town directly south of the school. Watch for signs. Parade coordinators will be there to assign positions. Check in upon arrival to receive your number.

All heavy machinery and semis should assemble on 5<sup>th</sup> Avenue across from the school. Enter on 4<sup>th</sup> Ave., going north of Main Street and around the corner to Rogers Street, then turn on to 5<sup>th</sup> Avenue. Someone will be there to direct you. Thank you for attending our parade.
